UTA HOUSING INFO

[UTA Housing Office](#)

housing@uta.edu
Tel: (817) 272-2791

Students may choose any of UTA's on-campus housing options, though all accommodations are available on a first-come, first-served basis.

EARLY APPLICATION

It is very important that students apply for housing as soon as they receive their UTA ID number and login credentials. Housing on and near campus fills up very quickly.

MOVE-IN DATE

Students cannot move in to UTA housing until a few days before classes begin. Students should plan accordingly and be prepared to stay in a hotel if they arrive in Arlington before they are able to move in to their UTA housing.

[MEAL PLANS](#)

Students living in most UTA residence halls are required to purchase a meal plan. Students in other UTA housing may also wish to purchase a meal plan.

[MAV EXPRESS STUDENT ID CARD](#)

Student will be issued a Mav Express Card. This card serves as a student ID, a library card and allows access to services such as dining, photocopying, health services, bookstore, etc.

RESIDENCE HALL WINTER HOLIDAY CLOSINGS

Most UTA Residence Halls close for winter break (mid-December to mid-January). Academic Year students who wish to live on-campus for winter break should apply for winter session housing. UTA Apartments stay open year-round.

OFF-CAMPUS HOUSING INFO

Students may also live off-campus if they choose, but there are some important things to consider:

- There is no public transportation in Arlington, so it is essential that students live within walking distance of UTA.
- Many off-campus apartments may require a one-year lease and many will not come furnished.

All international students (including exchange students) are required to purchase the UT System International Student Insurance. Students may submit a waiver request, but very few students will qualify for an insurance waiver. Students should plan to purchase the UT System insurance.
